

DIOCESE IN EUROPE

THE CHURCH
OF ENGLAND

St Michael's Paris, France Chaplain

ICS seeks an experienced, Anglican evangelical priest to lead this key English-speaking church of many nationalities, backgrounds, ages and denominations in central Paris.

At St. Michael's we don't describe ourselves as an 'expatriate' church; we are international and culturally diverse, most of our members are well integrated into French society and we have both a global and a local focus. We recognise that we are in a very strategic position, and we want to make the very best of it for the Kingdom of God and for His glory.

Strongly committed to Biblical teaching and open to the work of the Holy Spirit, our vision is to grow:

- In intimacy with God
- In deep commitment to one another
- In lives which show the fruit of radical obedience
- As a beacon in Paris and to the nations

Our worship:

A congregation of about 200 worships on Sundays: morning (contemporary) and evening (more traditional) and an afternoon Tamil congregation, part of our community but with its own pastor.

Our (paid) leadership consists of:

- An experienced Associate Chaplain
- A Children and Families' Worker
- Administrator and a part-time Assistant

We are looking for someone who is:

- able to lead and care for the congregation
- comfortable with a diverse congregation of all ages
- able to lead worship with a variety of styles
- gifted in preaching
- able to inspire and equip us for mission
- a team leader
- able to delegate
- keen to develop, nurture and grow new ministries

Fluency in French would be an advantage as would international experience.
